

Theme-based learning plan

The Human Body				
	Activity	Code	Curriculum Links	Learning Points
English				
English Literacy	, Phonics, Letter tracing, Reading Eggs	ACELY1649AC ELY1663	reading aloud with attempts at fluency & intonation, Journaling her activities and writing about them, learning how each letter is constructed including where to start & the direction to follow,	Continue with books on Reading Eggs - don't push too much, Journal one pic a day - photo caption, writing, drawing, , Practice in the rice and on paper - she's doing well. , Re-make the writing folder
English language		ACELA1437	building vocabulary through multiple speaking & listening experiences	- Writing story of how one of the systems works.
English Literature		ACELA1435 ACELA1786	- Recognise that sentences are key units for expressing ideas - exploring how The combination of print & images in texts creates meaning	Continue with the list from the library. Currently loves Pippi Longstocking.
Health, Phys Ed				
Health				- How can we keep our body healthy? Food, Air, Water, Exercise, Sleep, Laughter - Feelings and how to work out how you feel about someone (love or otherwise).
Phys Ed	Circus - strength, balance, confidence, Focus, Swimming - safety and movement in the water	ACPPS001 ACPPS001	describing how they feel when they are learning a new skill & what strategies they can use to persist until they are successful, identifying things they are good at & describing how these have changed over time	- Continue circus classes, supported by Physio and OT. - Continue Ready Steady Go h/schoolers group, Continued swimming programme, focus on floating, treading water, swimming freestyle and backstroke
HASS				
Geography	Looking at how our bodies react when we are cold (before bath) And warm (in the bath or in bed) Online learning re regional anatomy traits			- Body adaptations to different ecosystems / areas - Facial and body features of people in different areas
History				- History of medicine - Where were first humans discovered? Sterkfontein etc
Humanities & Society				- Proper and improper body carriage / dress in public - Body image and how it's changed - Why we don't comment or care about a person's size - How do some people use their bodies at work? Eg physio, labourers, removals, dancers, teachers, office workers. How can we stay fit no matter what our job
Maths				
New material	(Online) Mathletics, Khan Academy, Maths Online, Studyladder, IXL (worksheets) Singapore Maths sheets (Books) NAPLAN y1 books - Time, addition, subtraction			- how many bones in each part of the body - calculating subtotals and total. - using her calculator and checking her answers - Place value - Time telling
Reinforcement		ACELY1663	learning how each letter is constructed including where to start & the direction to follow	
Languages				
Other	Latin words - sing the body song in latin - for a laugh! What other words can we think of that have latin derivation?			- Latin names for body parts - What can Latin prefixes and suffixes tell us about something?
Science				

Theme-based learning plan

The Human Body				
	Activity	Code	Curriculum Links	Learning Points
Chemistry	MYSTERY SCIENCE: Human Machine, Body, Senses, & the Brain - Mystery 1 - Muscles & Skeleton: Why do your biceps bulge? Activity: Robot Finger - Mystery 2 - Eyes & Vision: What do blind people see? Activity: Eye Model - Mystery 3 - How Eyes Work: How can some animals see in the dark? Activity: Pupil Card - Mystery 4 - Brain & Nerves: How does your brain control your body? Activity: Think Fast!			- the Cell - its composition, function and part in the body - Intro to the body systems - skeletal, respiratory, digestive, nervous, immune, endocrine, reproductive - What happens in our bodies when we play, watch TV, Sleep, eat, cry, laugh, run? What kicks in or shuts down? - Create salt crystals and discuss the role of NaCl in body
Technologies				
Design & Technology				- How does technology help our bodies. Damage them? - What part of the body can we emulate with experiment (done a lung at Uni Workshop already)
The Arts				
Dance	Dance		,	Returning to Miss Hayley's class,
Drama	Drama Class	-	-	Continuing with Helen O'Grady
Music	Songs ref theme, Violin, Piano Lesson		, ,	Do your ears hang low?, Complete Twinkle Twinkle - ctd suzuki method lessons, Next lessons in all 3 books.
Visual Arts				- Made a Human Body picture out of twigs, leaves, seeds etc, showing the skeletal and muscular systems
Enrichment				
Excursions				
Religion				Greenwood church Sundays.
Friends		-	-	Playdates with Caitlyn, Eamon & Georgina, Michael & Thomas, Ava & sisters, Daisy. (Maybe Arabella)
Family		-	-	Auntie Kate every Monday morning for 8 weeks.
Free Play		-	-	Every day - out with the treehouse, guinea pigs, running, climbing and experimenting.
Charitable act	Charitable act	-	-
